

This is regarding the radio station AIR 1. I cannot stress enough how important this radio station to our entire family and to many other people that we know. Our's and our kids' minds get polluted with the garbage that is allowed to be said and played on secular public radio stations. AIR 1 offers us a healthy alternative. No commercials and I don't have to worry about what my kids are hearing. Music affects people in so many ways, good and bad. AIR 1 has a POSITIVE effect that should be available to everyone. If AIR 1 were to be displaced by an LPFM broadcaster, we would lose the radio station that means so much to all of us and to many in our community. Thank you for your time. God Bless!
